Dear Mr. Rashad;

I am enclosing certified copies of the Report and Recommendation as well as the Order Accepting Report and Recommendation and a certified docket sheet for you to present to the MDOC.

If these documents are not sufficient, it will be necessary for you to present a copy to the sentencing court in your case. Judge Borman did not do your original sentence and therefore cannot issue a new judgment on your case. The state judge that pronounced judgment and signed the Judgment of Sentence will have to issue any new Judgment on your case.

I hope this will take care of problems you are having.

Thank you,

Jonie Parker

**RE: Order and Judgment of Sentence Via Rashad v
Burt, 108 Federal 3rd**

Clerk Of the Court
United States District Court
Eastern District of Michigan
Southern Division
231 Lafayette Boulevard
Detroit, Michigan 48226

Dear Clerk:

Pursuant to the enclosed "Order," Judge Paul Borman granted my Petition for Writ of Habeas Corpus. And the Writ was affirmed in the United States Sixth Circuit Court. Also, the United States Supreme Court did not grant the attorney general certiorari in this matter.

Moreover, according to the enclosed "Michigan Department Of Corrections Memorandum," I am still serving a consecutive sentence. As a result, I'm currently ineligible for parole, unable to attend my love one's funerals, and I am housed at a higher security level.

Therefore, please send the (MDOC) an **"official order and judgment of sentence"** at your earliest convenience.

I thank you in advance for your cooperation with this matter. And I'm looking forward to your response.

Sincerely,

Dwight Rashad
